(Affiliated to University of Mumbai and Recognized by Govt. of Maharashtra)
Accredited by NAAC (Third Cycle) With 'A' Grade with a CGPA of 3.54
College with Potential for Excellence

Date: 16th February 2026

To Whomsoever It May Concern

I am pleased to write this Letter of Recommendation for Ms. Gargee Rane, who has been a student of the Department of Bioinformatics at Guru Nanak Khalsa College of Arts, Science and Commerce (Autonomous), Matunga where I serve as the Head of the Department. It gives me immense pleasure to recommend Ms. Gargee, for the On Job Training (OJT) at your esteemed ICMR-National Institute for Research in Reproductive and Child Health

Ms. Gargee has enrolled in the First year of Master's program of Bioinformatics in the academic year 2025-2026. Throughout her academic journey, she has consistently demonstrated a strong sense of responsibility, dedication to learning, and an eagerness to improve her technical and analytical skills.

Academically, she has shown commendable performance in core subjects such as Programming, Data Structures, Genomics, Transcriptomics, Sequence analysis. She possesses a good grasp of theoretical concepts and is equally capable of applying them in practical scenarios. Her problem-solving ability and logical thinking stand out among her peers.

Apart from academics, Ms. Gargee has actively participated in seminars and group activities, where she exhibited excellent teamwork and leadership qualities. She is sincere, disciplined, and maintains a positive attitude toward challenges. Her communication skills and ability to work collaboratively make her a valuable team member. I strongly believe that she has the potential to excel in higher studies and professional environments.

In my opinion, Ms. Gargee would be an asset to any academic institution or organization she chooses to join. I strongly recommend her without any reservation and wish her every success in her future endeavors.

If any additional information is required, please feel free to contact me.

Sincerely,

Gursimran

Dr. Gursimran Kaur Uppal
Head of the Department,
Department of Bioinformatics
