TO WHOMSOEVER IT MAY CONCERN

This is to certify that Ms. Aayushi Viren Thenge (PRN: 25040144002), is a first year student of the Master of Public Health (MPH) programme (Academic Year 2025-26), presently studying in the 2nd Semester.

Master of Public Health (MPH) programme is a full-time academic program, conducted by the Symbiosis Institute of Health Sciences (SIHS) and approved by the Symbiosis International (Deemed University). The University is established under Section 3 of the UGC Act 1956, vide notification no. F.9-12/2001-U.3 of the Government of India and reaccredited by NAAC with "A++" Grade. We aim to strengthen the overall health system in the country through education, training, research and policy initiatives.

At SIHS, as a part of the MPH programme curriculum for Batch 2025-27, each student has to undergo a minimum of two months of Summer Internship Programme for successful fulfillment of their academic degree. The students can complete their internship during May 2026 to July 2026 period.

Below mentioned are the objectives of the Summer Internship Programme:

- To appreciate the relevance of theory learnt in the Public Health courses and the real life situation (practice).
- To apply various soft skills, such as communication, observation, leadership, and team work.
- To acquire additional knowledge and skills in the Public Health domain through experiential learning.
- To participate in the training to hone administrative and technical skills.
- To interact with and learn public health skills from the relevant stakeholders in the organization.

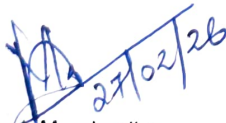

We request you to allow Ms. Aayushi Viren Thenge to undertake the summer internship at your prestigious institute for the said duration.

We request you to allocate one mentor from your institute with whom we will establish the communication from the institute's end.

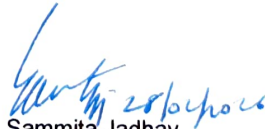

Please feel free to write to us at mphcoordinator@sihs.edu.in or manesh.muraleedharan@sihs.edu.in
