To,
The Officer-in-Charge
Training and Academic Cell
ICMR-National Institute for Research in Reproductive Health (ICMR-NIRRH)
Parel, Mumbai – 400012

Subject: Recommendation for 3-Month Internship Training in Biotechnology

Respected Sir/Madam,

I am pleased to recommend Ms. Shrutika D. Sonkawade, a first-year M.Sc. Biotechnology student at our college, for the 3-month training program at your esteemed institute. She is a sincere, dedicated, and highly motivated student with a strong interest in molecular biology, genetics, microbiology, and reproductive health research.

Currently, she is focused on molecular and cellular approaches in life sciences. Through her academic curriculum, she has gained practical experience in laboratory techniques such as DNA and RNA isolation, PCR, gel electrophoresis, microbial culture techniques, protein estimation, enzyme assays, spectrophotometry, and basic cell culture methods. She is well-trained in maintaining laboratory records, handling biological samples, and following biosafety and aseptic procedures.

I strongly believe that this training will further enhance her research aptitude and technical expertise in biotechnology and reproductive health sciences. I am confident that she will carry out her responsibilities with sincerity, discipline, and professionalism. I highly recommend her for the internship at your prestigious institute.

The following students of our college would like to apply for practical training work at ICMR-NIRRH.

Full name of the student: Ms. Shrutika D. Sonkawade
Degree: M.Sc. Biotechnology
Total no. of years of the degree programme: Two years
Current year of study: First year
Discipline/Subject: Biotechnology
Desirable period of training: From April to July
Remark if any: Fourth rank of the batch, 82.18%

Thanking you.

Yours faithfully,

(Dr. S. V. Kotli)

Principal
