It is a pleasure to recommend Soumita Reja (25MSB0003) is a diligent student currently pursuing her M.Sc. Biotechnology School of Bio Sciences and Technology (SBST), VIT Vellore, for a summer internship at your esteemed institute.

She has maintained a strong academic record and has shown a keen interest in Reproductive Biology and Clinical Embryology. Her foundational knowledge in microbiology, combined with her motivation to contribute to innovative research, makes her an ideal candidate for the rigorous research environment at ICMR-NIRRCH.

I am pleased to inform you that the Department has No Objection to her undergoing a summer internship at your institute. She is permitted to work for a period of two months, specifically between from 10th May 2026 to 3rd July 2026. During this tenure, she will be encouraged to immerse herself in the research projects assigned to her and adhere to the protocols of your laboratory.

We are confident that this internship will provide her with invaluable exposure to high-end clinical research and strengthen her aspirations in the field of reproductive health. We highly recommend her for the program and look forward to a positive response.
